Nischal Tech Tips  
4515 McKinley Ave, St. Louis MO

**Dear Valued Customer,**

We sincerely appreciate your decision to trust NTT Services for your tech needs.

Here are some things to keep in mind when requesting NTT services:

1. **Non-Professional Tech Advice:** Nischal, our resident tech enthusiast, isn't certified by wizards, gurus, or sentient toasters. However, he does know a thing or two about computers and enjoys sharing his insights.
2. **No Warranty, All Whimsy:** Our services come with a disclaimer: Nischal guarantees nothing. Use his advice at your own discretion, and don't forget to do your research. After all, even the fluffiest clouds can't shield you from every digital storm.
3. **Free, but Not for Abuse:** NTT services are free, akin to the air you breathe (unless you're in a vacuum). But please refrain from summoning digital dragons to help your research or attempting to debug reality. Be kind to your technician—Nischal appreciates it.

Once again, thank you for choosing NTT Services. If you have any further questions or need assistance, don't hesitate to reach out. May your tech adventures be whimsical and glitch-free!

The NTT Services Team ✨

**Regards,**
